Still Paying High Freight Fees?

Why?
Consider using our Paper Pallet and save on every shipment.

A normal 48 foot trailer holds 28– 40x48 pallets. If they were doubled stacked you are paying for 2,800 lb. vs. 672 lb. in pallet weight. This is real money that can be yours!

11,000-12,000 lbs. Compression Tested To ASTM Standard D642
